Orders are required on the following points.

1. Sanction to the expenditure of Rs 747-8-a incurred during the last year on the purchase of vessels and furniture for the 3rd class Travellers' Bungalows and musafirkhanas in the District. The President explains the necessity for the purchase by stating that most of the Bungalows had not been supplied with any vessels

2. The 2nd point is whether the Deputy Commissioner is empowered to make the purchase on account of the 3rd class Travellers' Bungalows out of District Funds.

The Deputy Comr. states that he is, and cites G. O. No. 156-65 G.T. 15-96 of the 7th July 1904 as his authority.

The Deputy Comr., as such, cannot sanction any expenditure out of District Funds except under Sec 28 of the L.B Regulation

The President has no powers of sanction independent of

the Board except in emergencies and that subject to the Board's ratification. (Vide Rule 36 of the L. B Rules)

Moreover the Order in questn does not Contemplate ~~of the~~ any expenditure in connection with the supply to Musaferkhanas

It is submitted that the Order relied upon by the Deputy Commissioner cannot be deemed to be applicable to the 3rd class Travellers' Bungalows, in as much as it involves the expenditure of the Funds of the District Board.

The 3rd point on which Orders are sought is ~~extending the Order~~ extending the powers of Sanction of the District Board so as to empower them to sanction estimates up to Rs 100 for 3rd class Travellers Bungalows within the Sanctioned Allotment.

The powers of Sanction of the District Boards ~~are defined~~ are defined in ~~the~~ paras 138 and 136 of the L. B Rules

Note—Contn. sheet.

GPB—50,000—13-5-08

Serial No.

Under the former Section they can sanction estimates for works up to Rs 500; under the latter Any single item of Contingent expenditure not exceeding Rs 50 can be sanctioned without Reference to Govt.

It is a question whether the purchase of vessels and furniture for Travellers' Bungalows and musaferkhanas comes under "Contingent expenditure" ~~Contemplated~~ contemplated in cl (2) of para 136 of the Rules

Submitted

2 D 5/9 16/9/07

Point no 1 - The purchase may be sanctioned.

Point no 2. For the reasons in the note above, the order dated 7th July 1906 cannot be taken ~~to apply~~ to empower deputy Comrs to purchase vessels &c for Third Class T. Bs and musaferkhanas.

Point no 3 - It would appear from the G.O. dated 16th March 1896 that the contingencies of 3rd Class T. Bs and musaferkhanas ~~are~~

are intended to meet the cost of petty repairs to vessels and the purchase of small necessaries, such as oil &c - The very fact that in this budget a separate provision is made under a separate heading for the purchase of ~~sail~~ vessels shews that this item of expenditure is not included in contingencies - Para 136 of the Rules does not seem to apply to the purchase of vessels for Musafirkhanas and T. Bs. The G.O of the 7th July 1904 may be extended to Local Boards and para 138 of the Rules ~~xxx~~ amended so as to give them the necessary power in this respect -

Secy) 21.9.08 JWW

I agree with the Hon'ble ~~Mr~~ that Local Boards ~~may~~ might be empowered to purchase vessels & furniture for D. Bungalows & musafirkhanas. This might be by an addn to Rule 136, & a limit of Rs 100 might be fixed in each case

III Read Government Proceedings no. 11760-1 L.B. 278-07-2 dated 12th May 1908 requesting to be informed whether Government sanction was obtained for the purchase of vessels and furniture for 3d. class Travellers' Bungalows and Musafirkhanas and stating that if no such sanction was obtained a report should be made as to the necessity for purchasing them with the Board's Resolution.

Resolution :— A list shewing the details of vessels and furniture supplied to the several Musafirkhanas and Travellers' Bungalows during the year 1907-08 may be sent up to Government.—In most cases there were no old vessels to be replaced as none had been supplied before. In a few cases the supply fell short of ordinary requirements and was supplemented.

In regard to the furniture, the fresh supplies were either in replacement of thoroughly irreparable articles or in supplement of short supplies.

Government sanction was not necessary as Deputy Commissioners were authorised to supply furniture and vessels up to a limit of Rs 100/- at a time in the case of each Bungalow. This was by Government order no. G. 156-65 G.D. 15-96 dated 7th July 1904.

No doubt the order did not issue from the Local Fund branch of the Secretariate but it will be seen from the Local Boards Regulation that

the designation "Deputy Commissioner" is also frequently used herein and the order in question was probably thereforeconstrued to apply to all Bungalows in a District Shelter maintained by Provincial funds or District Funds. The order issued in July 1905, and there was no objection from the Comptroller for the purchases in that official year nor in the year following. In the year 1906-07 objection was taken but it was pointed out in reply that the purchase had been duly approved by the District Board. The Comptroller then drew our attention to Rule 136 of the Rules under the Local Boards Regulations but that Rule was clearly inapplicable as it referred to purely Contingent Charges of the Office in excess of Rs 50/-

If however the Government order quoted above should not be considered as including the buildings maintained for the public from Local Funds the Boards beg that it may be extended to them also.
